\$250 and still counting! Homebush boys, we are doing a great job to help the homeless people this winter. Your donations of money and food cans will provide these people with warm food and shelter.

Lets see if we can touch the mark of \$500...You can donate money/food cans to the SRC boys who visit you in your roll calls on Mondays and Thursdays OR you can give the money/food cans to Mrs Singh in Maths staffroom. All collection goes to the Exodus foundation at the end of this term.

PL DO NOT DONATE CLOTHES.

Daily Notice by Ms Georgia Anton on Tuesday, 30 May 2017 at 10:17am

Team 4774: The Drop Bears, is a Sydney-based robotics team, annually participating in the *FIRST*® Robotics Competition (FRC). The team has been competing every year since 2012, meeting weekly to improve our software, mechanical and engineering skills. Over a six week period, we work together consecutively to build a 60kg robot in which we compete both nationally and globally. Throughout this given time frame, our team designs and manufactures the robot, aided by experienced mentors and devices such as CAD and a CNC mill. Through hard work and dedication, The Drop Bears are able to turn an idea into an autonomous and controllable robot and you can too.

Being a part of this team is an opportunity to allow high school students in year 8-12 an in-depth experience into engineering, programming, media and marketing. If you are a high school student interested in any of these areas and you would like to find out more, feel free to contact the team with the details given below and come along to our recruitment day!

Daily Notice by Ms Georgia Anton on Thursday, 18 May 2017 at 4:37pm

On Thursday we were inspired to hear from Howard Smith who did a great presentation on Interview Techniques and gain other tips required to get your dream job. However, a number of you still have not paid for this. You will need to finalise this payment by the end of the month, otherwise a letter will be sent home. Thank You
