Open High School is the state's leading languages educator via distance education to students in Years 9 to 12.

The school offers 12 languages to students in all education sectors when the student's school is unable to offer the language they wish to study and the language is not offered at our local distance education centre. Their curriculum conforms to Board of Studies, Teaching and Educational Standards requirements.

Student learning is supported through a diverse program of written materials, telephone lessons, online activities, and email. Each term, study days are held where students have the opportunity to meet with their classmates and staff while taking part in educational activities additional to their regular coursework.

The school is also encouraging the use of Adobe Connect and Skype for telephone lessons so that the teacher and student can have more engaging contact during these lessons.

The 2017 enrollment forms are now available on our website www.theopenhs-d.schools.nsw.edu.au.

Or you go to see Ms Su in LOTE staff room to get a hard copy.

It is best to submit applications in Term 3 or early Term 4, and definitely by the Department of Education's deadline of 25 November 2016.
