Dear Year 12,

Congratulations on your efforts in Study Skills last Friday, especially for surviving the 40 plus temperatures in the classroom!

Please remember the key elements of the modules Goal Setting and Summarising as you head towards your exam block this term. Have clear, measurable goals written down somewhere you can see them and start working on your study notes.

Should you want a refresher on how to do study notes, the information is in the booklet you received last Friday, or you can access the "Summarising" module on the online study skills handbook. You can also ask any of your teachers for help!

Ms Budanovic
