Daily Notice by Mrs Rashmi Singh on Tuesday, 6 June 2017 at 9:56am

\$420 and still counting!

Boys, we are doing a great job in raising money for the homeless people this winter. Lets see if we can reach the mark of \$1000 before the end of this term!

Pl continue to make the donations.

And boys, you can donate the food cans too. Give them to Ms Singh in the Maths staff room or the SRC boys. Have a joyful and productive day.

Team 4774: The Drop Bears, is a Sydney-based robotics team, annually participating in the *FIRST*® Robotics Competition (FRC). The team has been competing every year since 2012, meeting weekly to improve our software, mechanical and engineering skills. Over a six week period, we work together consecutively to build a 60kg robot in which we compete both nationally and globally. Throughout this given time frame, our team designs and manufactures the robot, aided by experienced mentors and devices such as CAD and a CNC mill. Through hard work and dedication, The Drop Bears are able to turn an idea into an autonomous and controllable robot and you can too.

Being a part of this team is an opportunity to allow high school students in year 8-12 an in-depth experience into engineering, programming, media and marketing. If you are a high school student interested in any of these areas and you would like to find out more, feel free to contact the team with the details given below and come along to our recruitment day!

Daily Notice by Ms Georgia Anton on Thursday, 1 June 2017 at 4:31pm

NSW Department of Education would like to invite your senior cohort to participate in a video conference (VC) highlighting the exciting opportunities available to those considering a career in teaching.

The presentation includes;

- information on scholarships and cadetships valued up to **\$35,000**
- advice on career path and university entry requirements
- benefits and incentives offered to teach in NSW public schools.

One of the Department's scholarships or cadetships may just be the kick-start your students need for a rewarding career as a teacher in NSW public schools.

If this sounds like something that you want to be part of please see Mrs Anton in Careers. Thank You
