Target Rhodes is currently in the process of hiring in time for the fast approaching Christmas period. We are looking for young and enthusiastic team members, between the ages of 15 -19 years of age either on a casual basis, or who are looking to progress further into a Retail career.

We are able to offer flexible work hours, as we trade until 9pm Mondays - Fridays, and till 8pm on the weekend.

We are also able to provide work placement positions for any subjects that require this, as we can offer practical experience in a real and fast paced retail environment.

If any students are interested in applying for a position with us, they are most welcome to bring a copy of their resume into store, and introduce themselves to myself, or any other of my member of the Leadership team, ideally by the end of September.

From there, we will conduct an interview with each candidate, and if successful, each new employee will participate in a 3 hour induction session, where will cover all safety training and complete application papers.
