## UNSW WORK EXPERIENCE PROGRAM IN ENGINEERING Y 10

Daily Notice by Ms Georgia Anton on Monday, 19 March 2018 at 12:31pm

[✔ Mark as Read](#) | [More ▾](#)

UNSW School of Civil & Environmental Engineering are organising a Work Experience Program for Year 10 students. This program is in high demand as you get an intensive outlook at various sites shadowing Engineers working on different projects. You will need to complete an Application Form which you can receive from Mrs Anton in Careers. At the very most we can only nominate a maximum of 2 students from our school and you must be present for the whole 5 days of the program. In the past a number of our students expressed an interest so we conducted interviews and the school then nominated 1-2 students based on Application Form, Resume and Interviews. I'd strongly like to encourage any Year 10 students whoa re interested in getting into Engineering to apply or see me as many students have found it to be it is very informative and interesting and furthermore a great insight into the industry.
