Work Experience in Film and Media Space Y 10 Y 11

Daily Notice by Ms Georgia Anton on Tuesday, 26 June 2018 at 4:49pm

[☑ Mark as Read](#) | [More ▾](#)

Deluxe Australia are an organisation in the film and media space and they offer work experience opportunities. They undertake a lot of work in the 2D and 3D space along with sound engineering work, VFX and broadcasting just to highlight a few.

There is not much information out there about their company which is why students do not really know that there is much more to TV and Media than just acting and direction and they would be delighted to share the various other aspects with you.

Sounds like a great opportunity for those with a creative yet analytical flair. If you are interested please see Mrs Anton in Careers. Thank You
