Year 7 Composition Competition All Years

Daily Notice by Mr Callum Alexander on Tuesday, 26 May 2020 at 9:30am

VOTING FORM

During online learning many Year 7 create original compositions. Year 7 have voted their top 4 favourite pieces and now we are having a school wide vote to decide the ultimate composition. The entrants have been kept anonymous to ensure fairness.

Please go google form (linked up top and [here](#)) and listen to each short piece of music. All compositions use the same chord progression so they may sound similar. The original part is the melody (the bit on top/the bit you can sing or hum) and that's what you should focus on. Score it out of seven based on how enjoyable you find it (or how nicely it flows/how catchy it is etc). The winner will be announced at the end of week 6.

Thanks!
