PRESIDENT'S REPORT

Well another year has been and gone and it was a memorable year for the school celebrating its 75th year of providing high quality education to the young men who have attended over the 75 years.

I would like to thank Mr Jurd, Ms Dwyer and Mr Hilliard for leading the school so well. Sadly Mr Hilliard decided it was time to retire at the end of last year so I am pleased to welcome Mr Khurshed as the new Deputy Principal. Just as an aside to that, James, who is in Year 11 was both amused and horrified that we picked someone from Epping Boy's who are, according to him our arch enemies on the sporting field and is looking forward to seeing Mr Khurshed in action against his old school.

To the rest of the teachers and staff at the school my sincere thanks on behalf of the parents for the time and dedication they give our boy's. For the new Year 7 parents you will quickly come to appreciate what a dedicated caring group of educators we have at Homebush Boy's.

To the rest of the P & C Committee my thanks as well, it is certainly an easy task being President with such hard working parents helping out. To Simone my thanks for stepping in when I have not been able to complete my role, to Fiona the world's greatest P & C Secretary who doesn't seem to know the word 'no' and for whom nothing is too difficult. To Anita our Treasurer again thanks for keeping tabs on things. To Cheryl and Linda who do the fundraising and again don't seem to tire at any point, my thanks. And to our other P & C parents, my grateful thanks must go to those who participated in the 75th Anniversary celebrations, the School clean-up days, the Year 7 Orientation Day and our fundraising ventures. We have achieved so much because of your input and help.

I have now been President for 7 years and am stepping down to take an another role, if you will have me, and I can only say that an honour and privilege it has been too been President and see the school go from strength to strength. So if you are new and thinking about getting involved, please do so as it is very rewarding experience at such a great school.

Thanks

Simon Ford
