

Sports Policy and Procedures

Homebush Boys High School

Rationale:

Sport is a vital part of boys' education. It promotes a positive competitive environment, engaging all boys in leading a healthy lifestyle whilst providing an excellent opportunity to emphasise our school values. Our Values are outlined in the Safety, Learning and Respect Matrix. School sport gives rise to an opportunity to work in conjunction with the community in strengthening these values. The following policy gives a base to deliver these values in a school sporting context. It outlines the rights and responsibilities of all parties involved in school sport.
