Keeping your kids safe on the www.

ThinkUKnow Australia educational program

ThinkUKnow is an internet safety initiative which aims to raise awareness of the issues which young people face online and whilst using mobile phones. The ThinkUKnow presentation will cover topics such as:

- Technologies and apps popular with children and young people;
- Privacy management, scams, fraud and identity theft;
- Online grooming and sexting;
- Cyber-bullying and reputation management;
- Where to go if things go wrong;
- Steps to improve cyber safety and security.

This parents, carers and teachers’ session includes short videos and real life case studies. The presentation is tailored for an adult audience and we ask that young people are not present.

Date/Time: Wednesday 29 April, 7pm
Location: Strathfield Town Hall
RSVP: Contact Community Services on 9748 9999
